Backpacks

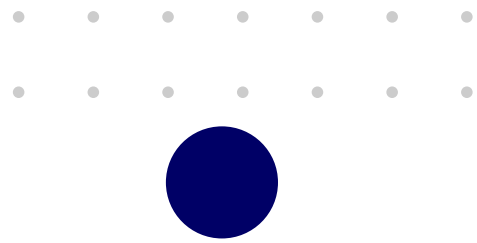

On the best friend priority list of a woman, first comes pockets and following it are backpacks! For the female bunch, especially a student or a working one, a backpack is as essential as her career, for it carries for her everything that she needs. As a company dedicated to providing fashion essentials for the women, we pride ourselves for producing backpacks of superb quality, top-notch built, and quirky designs. We have something for all who are feminine, be it the hard working corporate tycoon, or the curious college student.

Hand Bags

Thanks to the scanty population of pockets in women's clothing, the female bunch is in constant need for handbags; that and the eternal love for these single-hand pouches! We, therefore, had to take the initiative to bring to the table a wide range of handbags that could be the style statement of all the ladies! The designs are unique, made from extensive brainstorming; the quality is exquisite- thanks to the technology we employ, and the make is latest- to suit the trends of the day. We aim towards **empowering our women, one handbag at a time!**

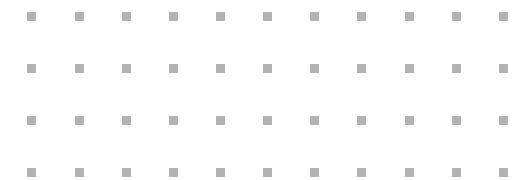

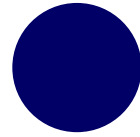

Laptop Bags

Laptops are essential and so is style. So we decided to combine the two for the independent, self-sufficient ladies out there. As a result, we now have a laptop bag collection with bomb looks!

Each design boasts of sophistication for the multitasking woman, while each fabric resonates with the need to emulate the freedom the ladies seek. At our company, we understand the importance of career in a woman's life and each laptop pouch that we make is the symbol of that understanding. That combined with our impeccable sense of fashion

Rucksacks

The maverick bunch of people has always liked travelling and exploring the world. Needless to say, we chose to come stand by them, as they planned their trips and sorted their itinerary, with our rucksacks to carry their essentials. These bags are special, probably more than any other product, because these are symbolic of freedom. These are sturdy, rugged, spacious, trek friendly, tough and the reliable pieces of

Sling/Crossbody Bags

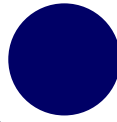

A woman, we believe is everything she wants to be. And that list includes the wild party animal that struts along once in a while. Our sling and cross body bags are made to provoke that side of a woman. However, our designs are not restricted to the rustic queen of parties, it is also for the fashionista, the diva, the meek princess, and the independent modern woman. In fact, we have multiple designs for each avatar in our women; our quality, combined with the texture and appearance of each product, adds an edge to any mood our ladies

Tote Bags

Ladies love tote bags and we made sure the ones we make are tote adorbs! Made out of the best kinds of fabric, with designs carefully imprinted to preserve the fashion quotient, the tote bags we produce are complete magnets for all kinds of women. They are durable like the strength of a woman, and quirky like their free spirit! Hence, these products are bound to make some heads turn wherever they are taken.

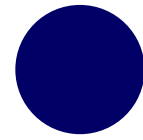

Duffle Bags

Always a canvas for fresh and experimental designs, duffel bags are a go-to for short trips- to the sea and to the gym. We come up with a wide range of designs on a wide range of fabric. Our duffel bags are, thus, a must have for anyone who prefers to be a class of their own- irrespective of where they are.

Shoulder Bags

Shoulder bags have made a comeback and have taken the fashion game by storm. We manufacture shoulder bags which are fashionable as well as durable. Right from PU leather to patent leather, we make shoulder bags in carefully sourced raw material and make sure that they are available in plethora of colours for every unique woman out there. With metallic strings and resin chains, we leave no stone unturned when it comes to treating our audience's fashionable choices.

Belt/Waist/Bum Bags

Belts, Wallets & Jackets

Our range of accessories, that includes belts, wallets, and jackets, are crafted to stand out. Our designs are classy, bold, and sophisticated. We have over the top designs for the urban class who likes to experiment, and the comfortable go-tos for the ones who hate leaving their comfort zones. We have something to match the taste of everyone who walks our way and chooses to invest in us, and we are proud to boast that we often turn out as their favourite!

Canvas Shopping Bags

Shopping bags are an essential commodity for everyone in their daily lives. This is basically the one kind of bag that is used on a regular basis, hence, we had to give it a quirky edge. The shopping bags one buys from us has a curious, feminine touch, alongside a cute hint of fun.
